DMS WIRELESS announces new distributor for Mexico

DMS WIRELESS is proud to announce it's association with KAPITAL RF, a division of AMPERE - Instrumentacion y Telemetria, for distribution of its quality wireless broadband products.

KAPITAL RF is located in Mexico City at Angel Urzaa 1838 Independencia. The firm markets to the energy industries, wireless broadband firms and municipalities for Mexico and surrounding Latin American countries. Mario Simonett Weissenberg is the Director General and says "We are pleased to work with DMS WIRELESS. This association compliments our current products so we can provide full service solutions to our customers. We appreciate the quality of the DMS WIRELESS products and their customer service is outstanding so it's a very positive relationship."

Tim Heinrichs, CEO DMS WIRELESS, states: "We look forward to a healthy and prosperous relationship with KAPTIAL RF and we are pleased to bring our products to the Latin American market exclusively with them". Their technical knowledge is superior and they are working on extensive and exciting projects for our participation and distribution."
